

LIFEWIDE EDUCATION 2021 10th ANNIVERSARY WORK PLAN : By the end of 2021 we will have -

- 1 re-engaged the community of practitioners involved in university co- and extra-curricular awards producing a map & synthesis of such provision
- 2 produced 2 issues of lifewide magazine and a book focused on co- and extra-curricular awards
- 3 explored the idea of learning lives through 2 action learning projects & interview-based narratives developing further the idea of learning ecologies
- 4 provided a programme of webinars & facilitated discussion forums on facebook and Linked In
- 5 engaged with and contributed to UNESCO Institute for Lifelong Learning Futures of Education project
- 6 contributed a chapter to the Springer International Handbook for Lifelong Learning
- 7 responded to new opportunities as they emerge - the plan will change as the year progresses
